**SALTWATER FLYFISHING ADVENTURES**  
PRESENTS  
**ISLA MAGDALENA FLYFISHING EXPEDITION**  
**MAY 27 — JUNE 3, 2017**

The Isla Magdalena Flyfishing trip is one that I personally look forward to; it is such a wild, unpressured environment and the fish are quite different from species in the Sea of Cortez. It is scheduled for your arrival on Saturday May 27, 2017 and departure on Saturday, June 3, 2017.

Please notify us when you book your flight to **Loreto** including airline, flight number, time of arrival and departure; so we can arrange for transportation. Please coordinate your flights. Arrive early (before 2 PM) and depart later (after 1 PM) When you arrive at the **Loreto airport** a group taxi will take you to Puerto Adolfo Lopez Mateos. The cost of the taxi is about \$20 per person each way. We'll spend the night in the port and start our expedition on Isla Magdalena on Sunday morning. I will look for you at the hotel, if we don't meet before then.

The cost of this trip is \$1740.00. It includes double occupancy hotel accommodation first and last nights, transportation to and from Puerto Adolfo Lopez Mateos, panga transfer to and from Isla Magdalena camp site, tents, sleeping pads, sit on top kayaks with high back seats, paddles, pfd's, all meals and beverages, evening cocktails, from breakfast on May 28 to our farewell dinner at a Loreto restaurant on the evening of June 2. Also included are the Mexican fishing license and six days fishing, and of course coaching on kayak fishing and casting from Gary.

Not included are airport transfers, airline tickets, sleeping bag, meals on day of arrival, fishing equipment, tackle, flies, and tips for guides, hotel maids, and the cook. A typical tip for the staff (to be divided amongst the staff) would be about 10% of the trip cost. This is done at the farewell dinner.
