ACKNOWLEDGEMENT OF RISK AND RELEASE 2020

I understand that the activity I am about to voluntarily engage in bears certain known risks which could result in injury, death, illness, disease, physical or mental damage to myself and/or my property. I understand and acknowledge those risks and that they are inherent in boat fishing and any related activity that I am about to engage in including travel to and from that activity. These include, but are not limited to, equipment loss or breakage, theft, inclement weather, cold water, rough seas, strong tidal and other currents, navigational difficulties, collisions with other vessels and/or other obstructions, capsizing, illness and accidents in remote places and inaccessibility to prompt medical assistance. Such perils and risks and others, singularly or in combination, may result in my suffering, property damage, serious bodily injury (including mental or physical) or death.

I expressly agree on behalf of myself (and in the case of a guardian signing for a minor, on behalf of the minor) to accept and assume all responsibility and risk arising from my participation in the activity in which I am about to engage and travel to and from that activity and agree to hold Gary Bulla's Flyfishing Adventures harmless therefrom.

CANCELLATION POLICY

We run a small flyfishing company and only accommodate 7-11 clients per week. When you register we hold your spot. This means we turn away other clients. Long before your arrival we pay Baja Joe's Hotel in full, reserve fishing boats with our captains, purchase supplies and guarantee work to the support staff. A last-minute cancellation impacts many people, some of whom are dependent on their income to meet their basic needs. If an emergency arises and you find yourself having to cancel less than 90 days prior to departure try to find a replacement, we will do our best to help you.

Please read and acknowledge our cancellation policy before sending your deposit.

- 100% Refund with 90 days' notice prior to trip start date (less \$300.00 administration fee)
- 50% refund with 60-day notice prior to trip start date.
- No refund less than 60 days prior to trip start date unless your spot can be filled.

Postponed Trip: In the unlikely event of extreme adverse weather or other uncontrollable factors, we reserve the right to postpone the trip to a future date. Gary Bulla, doing business as Gary Bulla's Flyfishing Adventures is not responsible for expenses incurred by trip members in preparation for the trip (e.g., non-refundable airline tickets, personal gear bought for the trip, etc.), or during the trip. For this reason and in case of cancellation for personal reasons, sickness etc.,

I highly recommend that clients arrange airline and vacation insurance that covers financial loss. It's cheaper than a fly line!
